Betreff: Online learning agreement OLA

Dear partner,

At the University of Iceland (UI) we have used the Online Learning Agreement (OLA) for three semesters for groups of outgoing students, and we are now extending this to all outgoing as well as incoming students.

Our incoming exchange application have been paperless for the past four years and we therefore consider the OLA tool a major step towards a paperless Erasmus programme. We believe that it makes the filling out and signing of the Learning Agreement a lot easier for the students, as well as the home and host universities.

From the academic year 2020-2021 the University of Iceland will require all incoming Erasmus+ students to use the OLA.

The contact person and the responsible person for incoming students at the University of Iceland (Erasmus code IS REYKJAV01) is Anita Hannesdottir, Project manager, incoming@hi.is, +354 525 4311.

For any questions, you are welcome to contact Anita Hannesdottir at incoming@hi.is
